UNDERCLASSMEN

This is an abstract geometric artwork. It features a series of thin, black lines that create a strong sense of perspective, converging towards a vanishing point at the bottom center of the frame. The lines are arranged in a grid-like pattern, with some lines being more prominent than others. In the upper-middle section of the image, the word "UNDERCLASSMEN" is written in a bold, black, sans-serif font. The text is slightly tilted, following the angle of the perspective lines. The overall composition is minimalist and architectural, with a light beige background.

An abstract geometric composition featuring a series of thin, black lines that converge towards a common point at the bottom center of the page. These lines create a sense of depth and perspective, resembling a stylized architectural structure or a network of paths. Overlaid on this background is the word "FACULTY" in a large, bold, black, sans-serif typeface. The text is positioned diagonally, following the general orientation of the converging lines, which integrates it into the overall geometric aesthetic. The background is a light, neutral color, providing a high contrast for the black lines and text.

An abstract geometric composition featuring a series of thin, black lines that converge towards a central point at the bottom of the frame, creating a strong sense of perspective and depth. The lines radiate outwards, some parallel and others intersecting, forming a complex web of geometric shapes. In the center of the image, the word "ORGANIZATIONS" is written in a bold, black, sans-serif, all-caps font. The text is slightly tilted, following the angle of the converging lines, and is positioned as if it were a horizontal bar or a sign within the geometric structure.

1986 Sectional Champs

With 4 of our top 5 players back for next year, we should be able to improve on our 11-6 record. Sophomore Tom Gibson and Junior Steve Catherman give us a solid number one and two singles. If Juniors Tony Foremski and Rich Zieba play in the off season our number three singles and 1st doubles teams will be vastly improved from last year. Dedication to summer play is always the key to having a successful tennis team.

ACTIVITIES

An abstract geometric design featuring a series of thin, black lines that converge towards a vanishing point in the upper left corner. The lines create a sense of depth and perspective. The word "ACTIVITIES" is printed in a bold, black, sans-serif font, tilted at an angle to follow the perspective of the lines. The background is a light, off-white color.

Left to Right- Dina Canterbury, Amy Dunlap, Carla Matlock, Richelle Zieba, Lance Smelley, Clara Morikis, Julie Murray, Sis Williams (Clerk Treasure), Jennifer Berkebile

LIP SYNC

ADS

An abstract geometric composition featuring a series of thin, black lines that converge towards the bottom of the frame, creating a sense of depth and perspective. The lines intersect to form a grid-like pattern. In the center of the composition, the letters "ADS" are rendered in a bold, black, sans-serif font, appearing to float or be positioned within the geometric structure.
